

BRAAI PACK

Experience an authentic South African tradition, the braai. At Essere Lodge we have created an entertainment area with a fire pit and a normal braai, with plenty of seating and drinks from the bar.

We have created a few alternatives for your braai packs determined by your appetite and your budget and it is worth noting that our meat is from a local butcher. Please choose from the selection below and let us know by 12pm on the day so we can prepare for you:
